ATTACHMENT A

COUNT ONE

On or about October 16, 2006, in Paterson, New Jersey and elsewhere within the District of New Jersey, defendant

RICHARD FIELDS,
a/k/a "P.O."

did knowingly and intentionally distribute and possess with intent to distribute a quantity of a mixture or substance which contains cocaine base, a Schedule II controlled substance.

In violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(C).

ATTACHMENT B

I, Francis J. Carden III, a Special Agent with the Federal Bureau of Investigation ("FBI"), following an investigation, have knowledge of the following facts, among others:

1. On or about October 16, 2006, a separately charged individual approached an undercover law enforcement officer ("UC") in Paterson, New Jersey. The UC agreed to buy four (4) glassine baggies of crack cocaine (cocaine base) from the separately charged individual for \$40.
2. The separately charged individual then approached defendant FIELDS and conversed with him. Defendant FIELDS then approached the UC and handed him or her four (4) baggies of an off-white, chunky substance the UC believed was crack cocaine. The UC then handed Defendant FIELDS \$40 in cash.
3. A DEA laboratory test was performed on the above-mentioned substances and came back positive for the presence of cocaine base.
4. This transaction was audio- and video-monitored by the FBI.
